We've been in school together for ten big years together. This last year being the best. I hope you have a great summer and out of trouble. I hope in ten years you will remember the goat! Call me we go fishing 698-8421.

Through The Eyes Of The Past

# TABLE OF CONTENTS

Photo by: Ann Odle

*A picture—memories of light treasured by a shadow.*

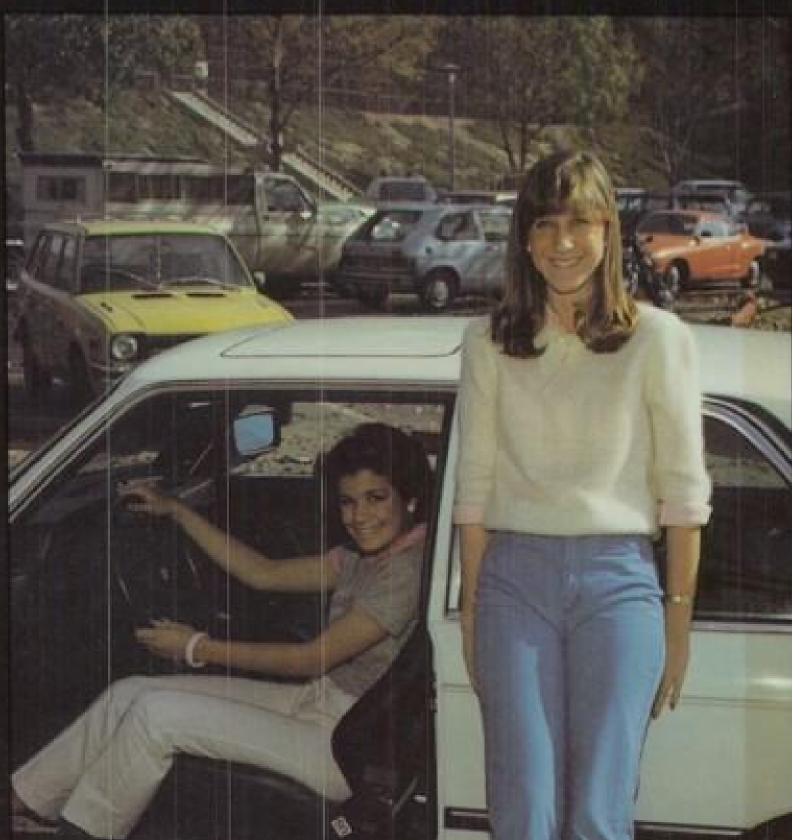

To my favorite T.A of my 10th grade geometry class:
Have they earned enough money to go to England yet? At least you wouldn't have to worry about the drivers. Is it true about the mushrooms? Huevos Rancheros and good luck as a dealor!

CAITI GUYAN

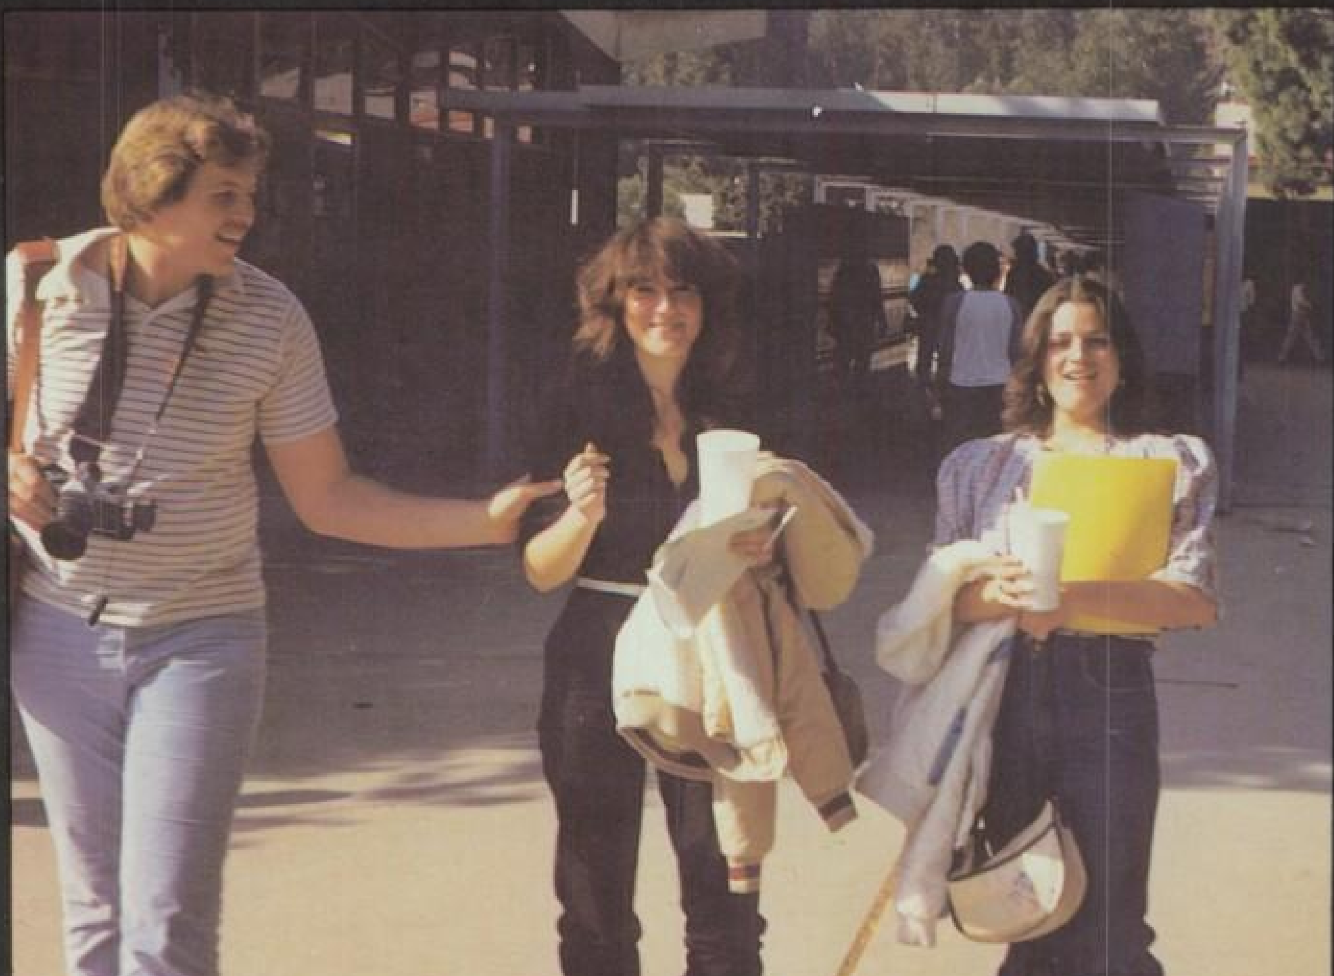

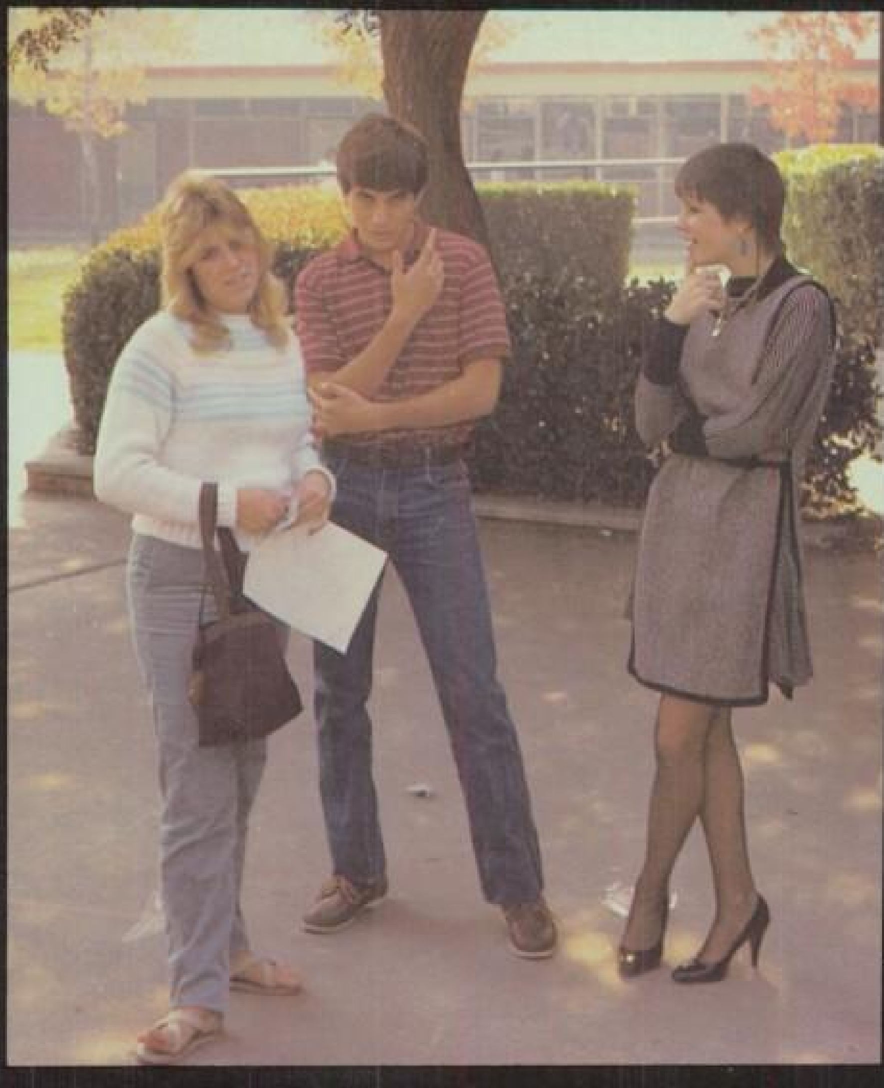

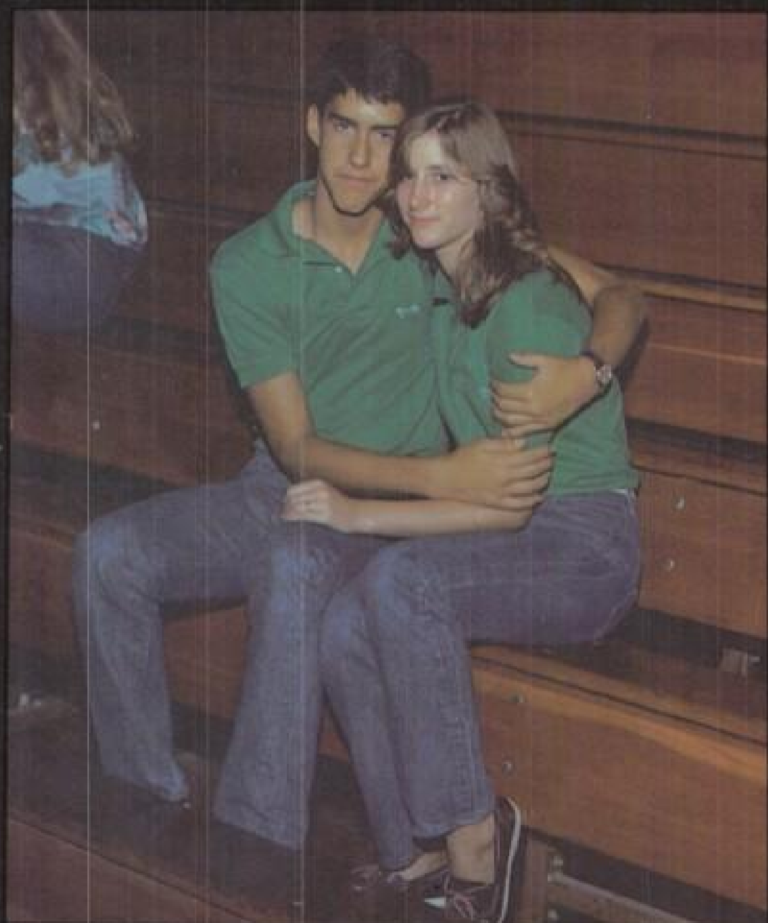

*Just when you think tomorrow will never come, it's yesterday.*

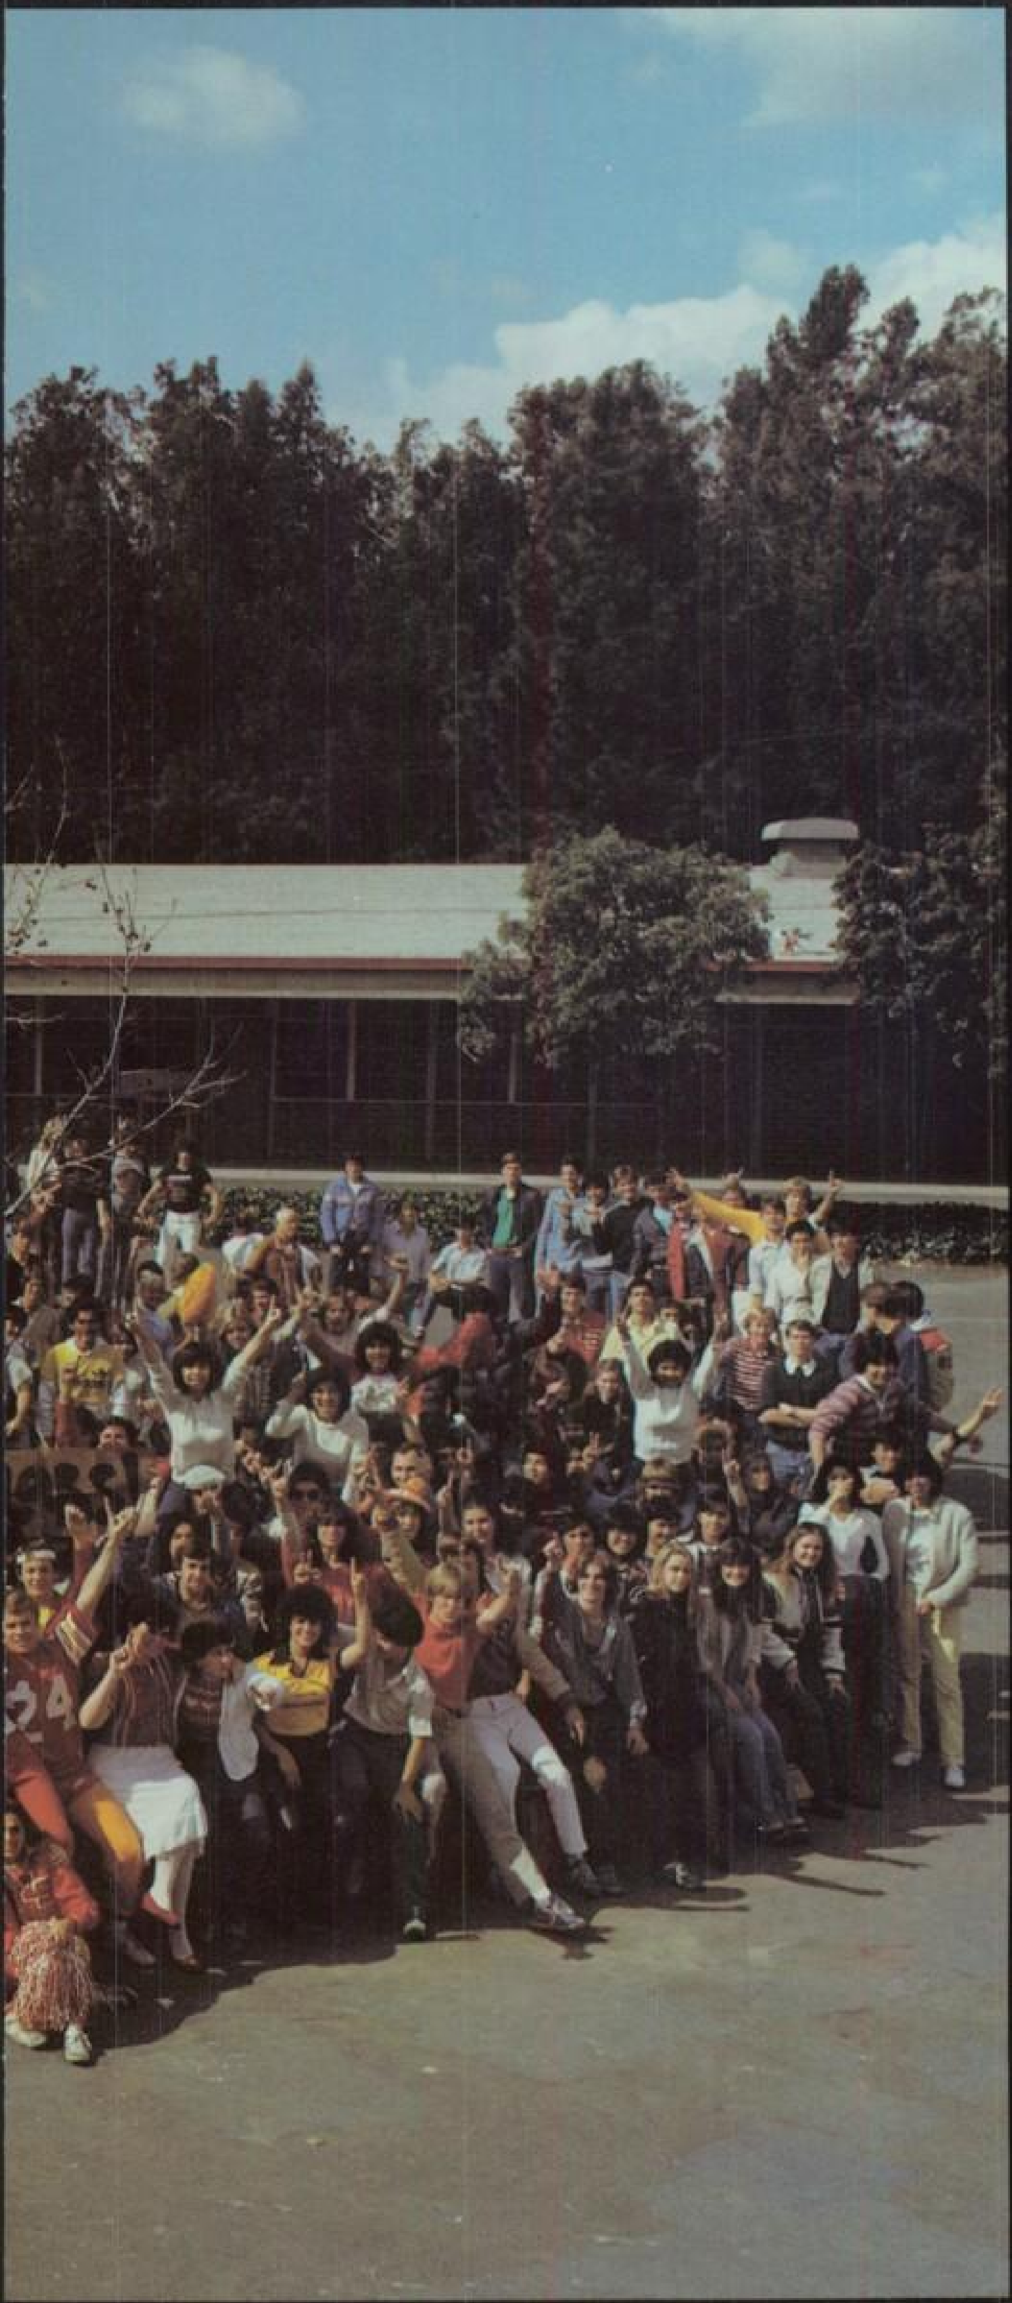

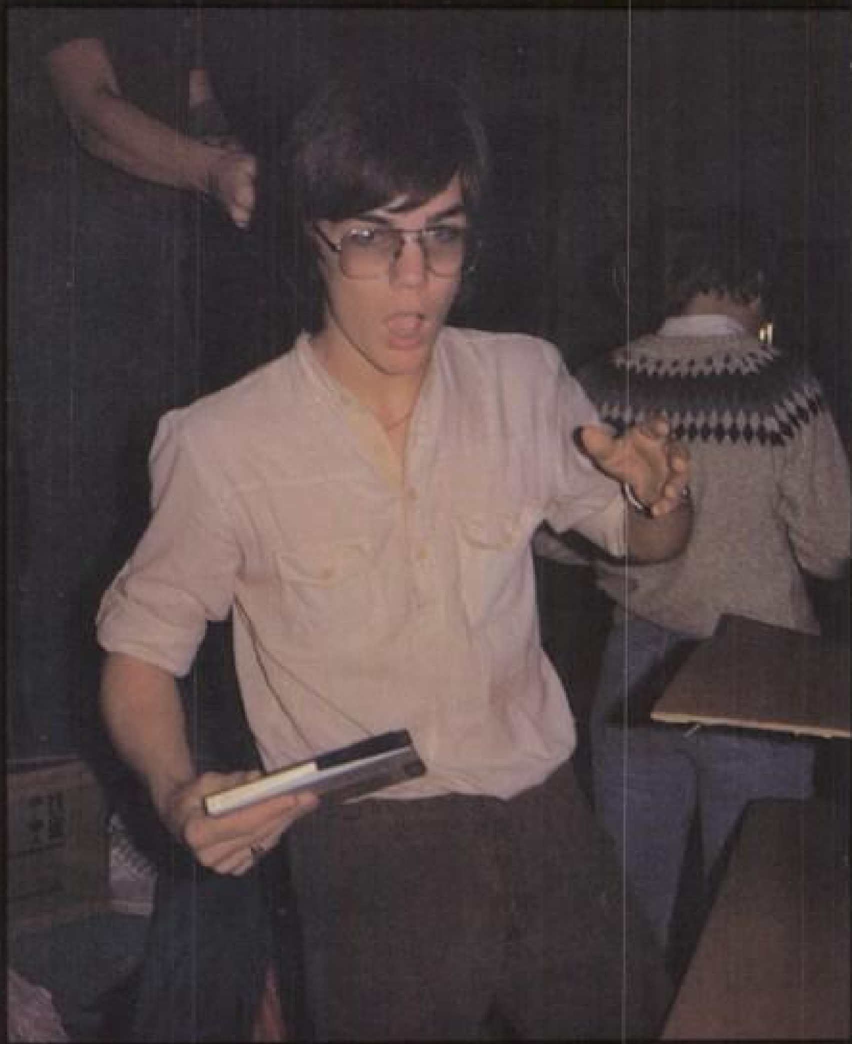

1983

*A day well lived makes every yesterday a memory of happiness and every tomorrow a vision of hope. This you will build your life by . . . This you will become.*

*The sky remains infinitely vacant for earth there to build its heaven with dreams.*

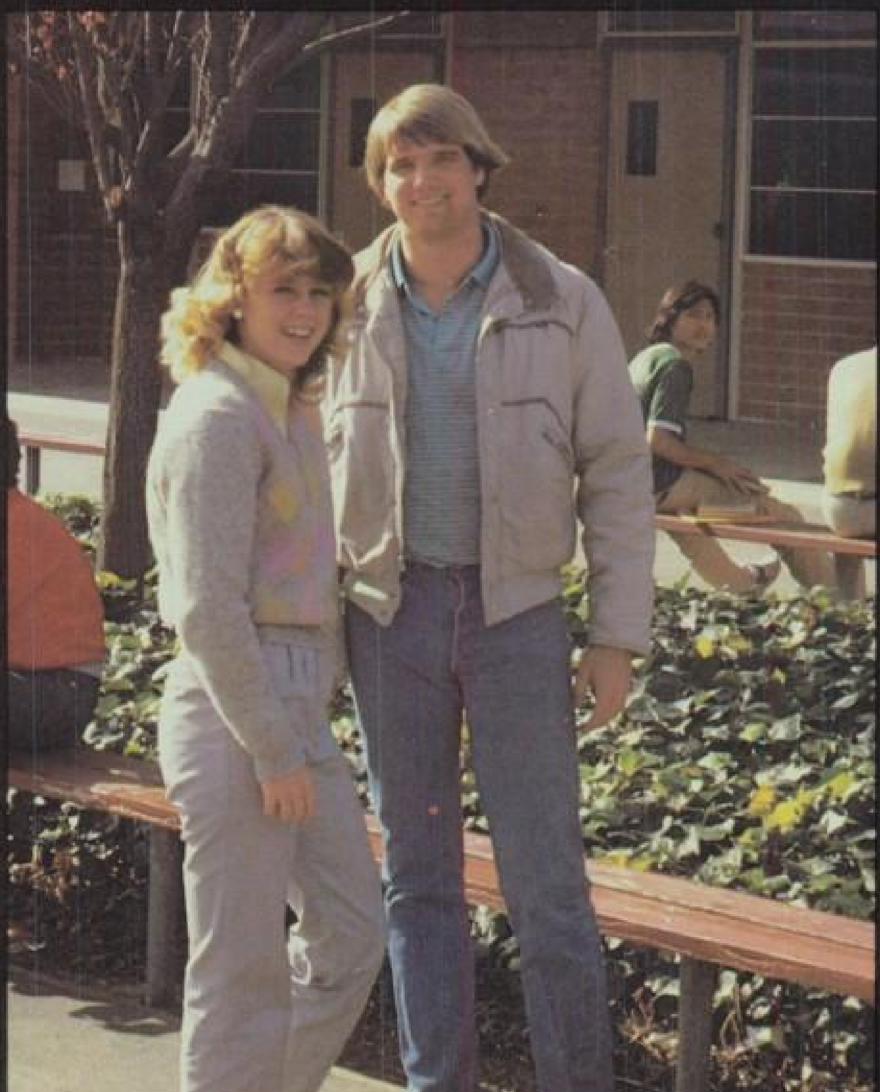

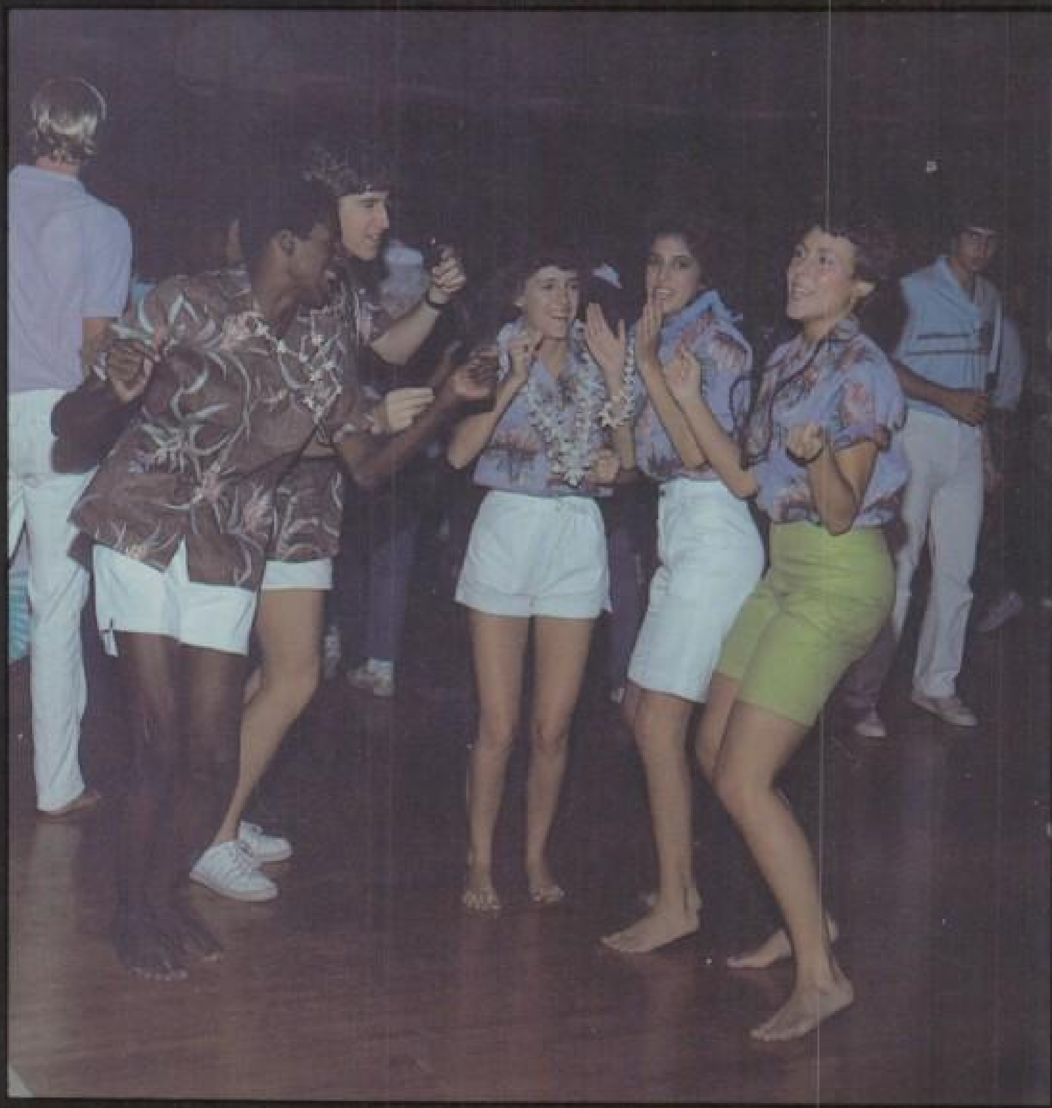

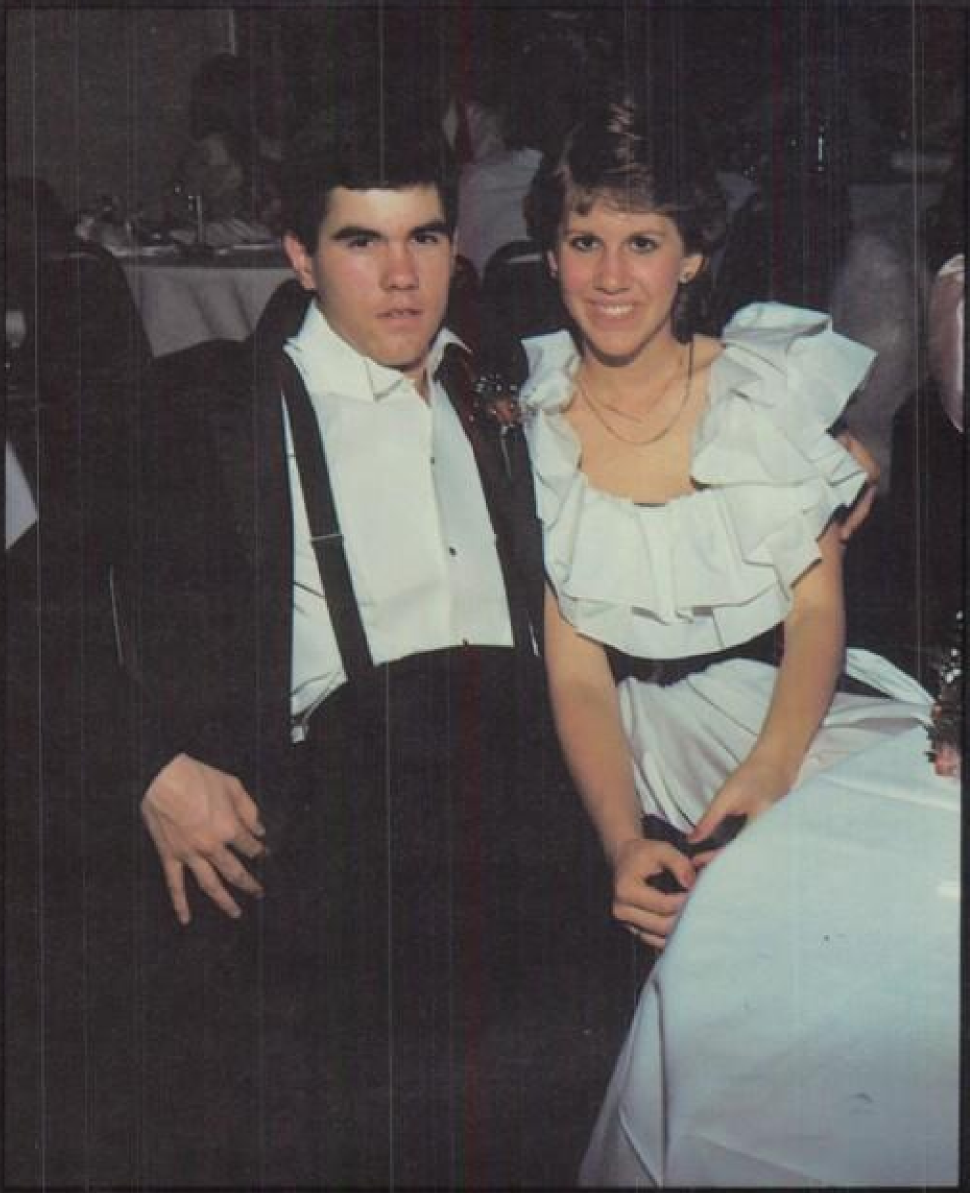

*A laugh, a tender moment, A talk, a gentle touch, A time when I was busy with friends I love so much.*

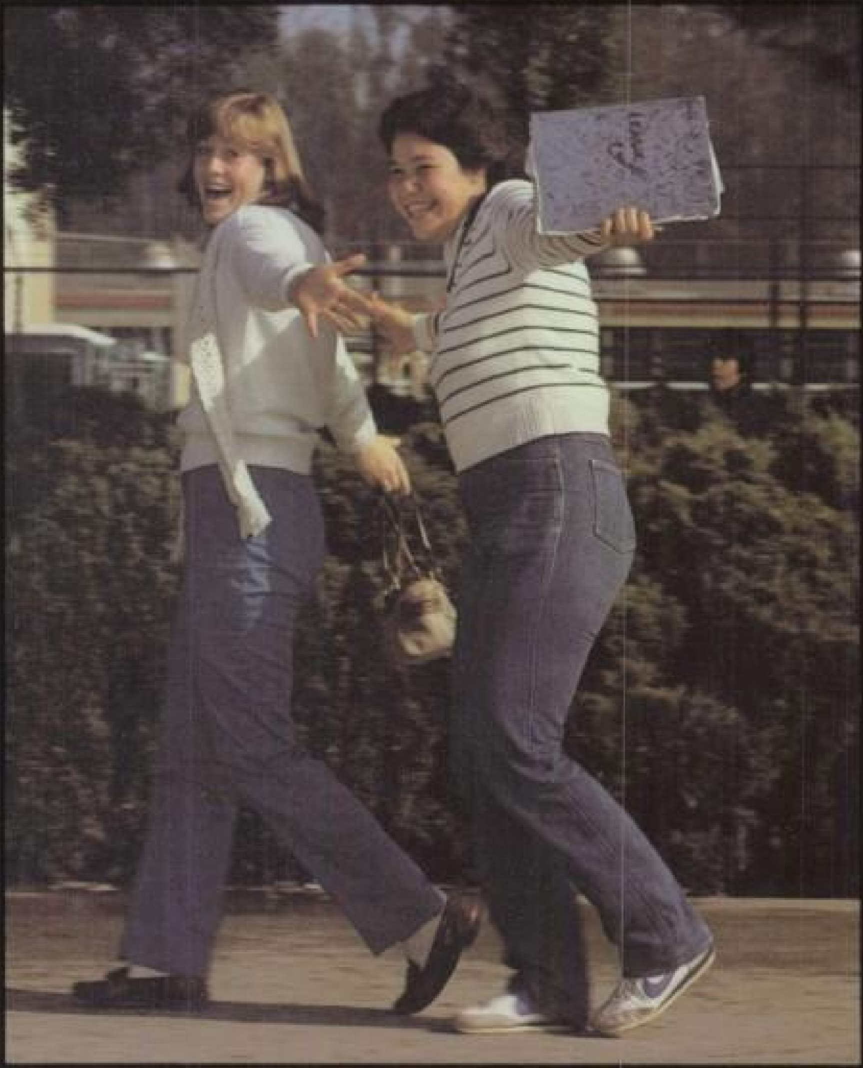

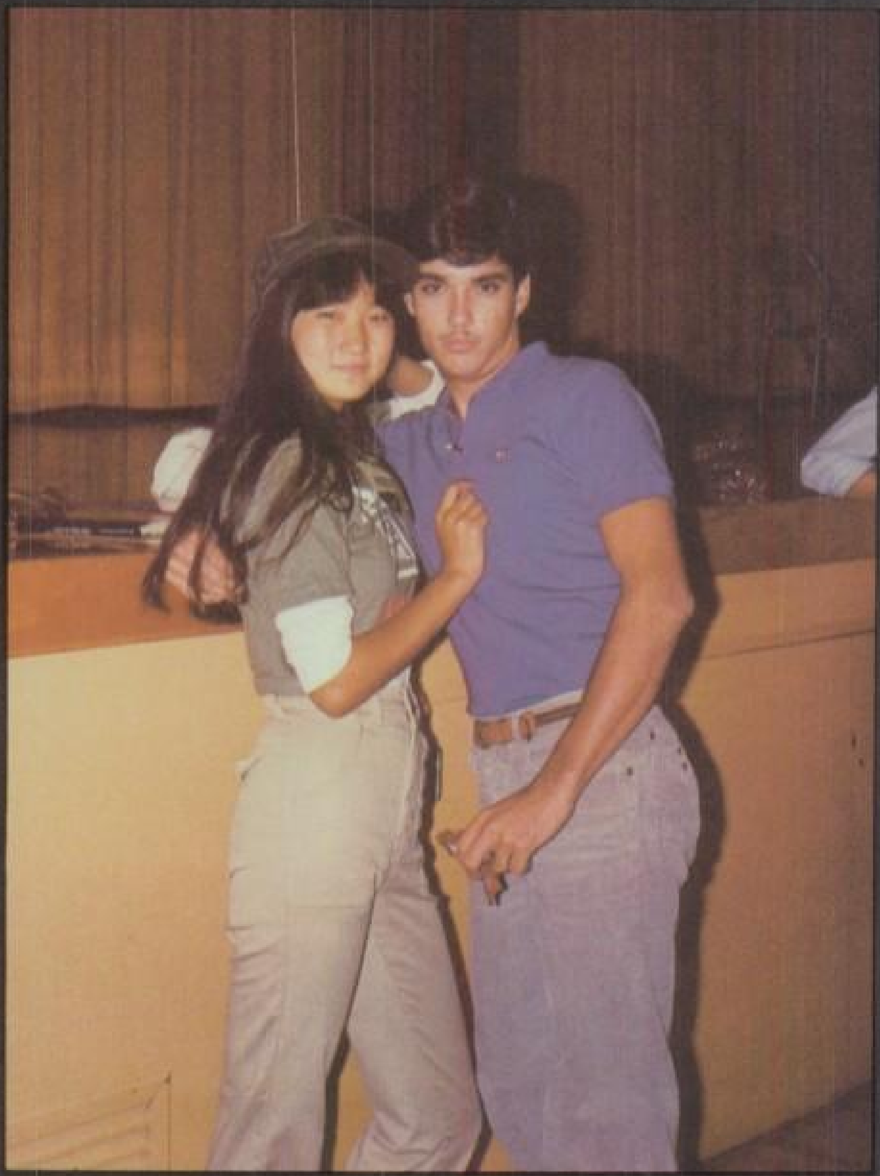

*Each moment of the year has its own beauty . . . a picture which has never seen before and shall never be seen again.*

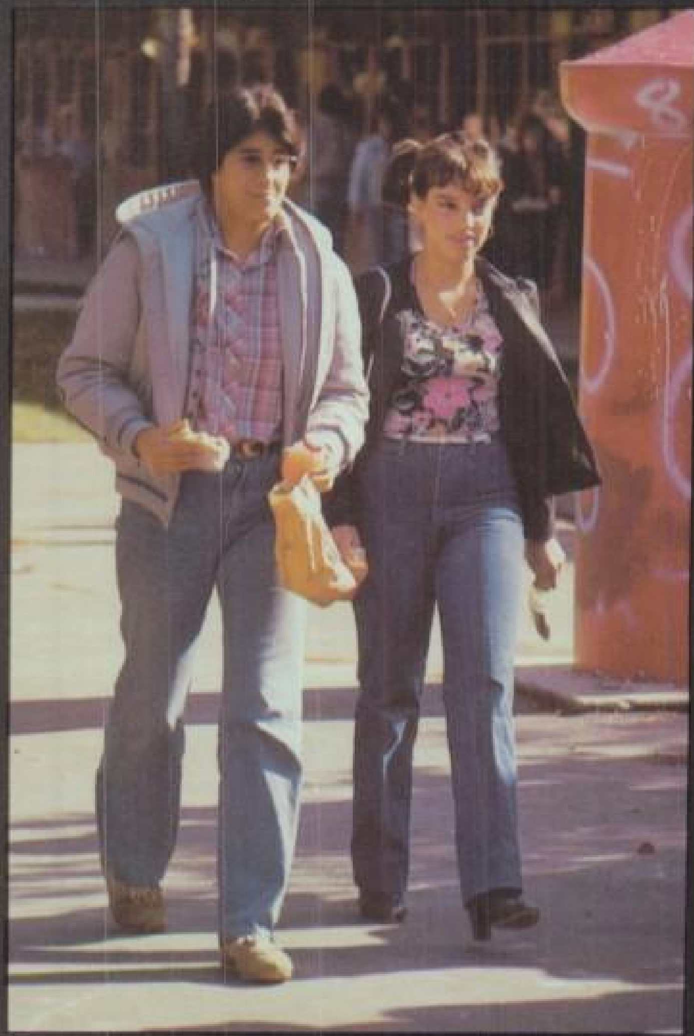

*Leave your memory as a flame to the lonely lamp of separation*

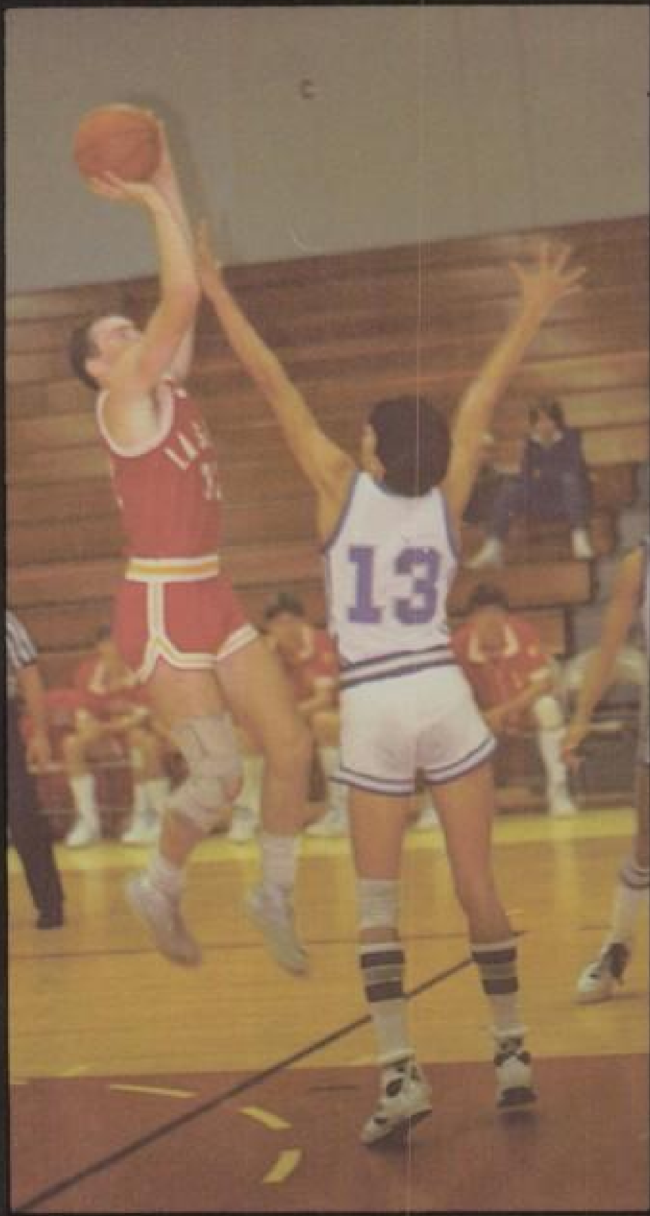

*My thoughts, like sparks ride on winged surprises, carrying a single laughter.*

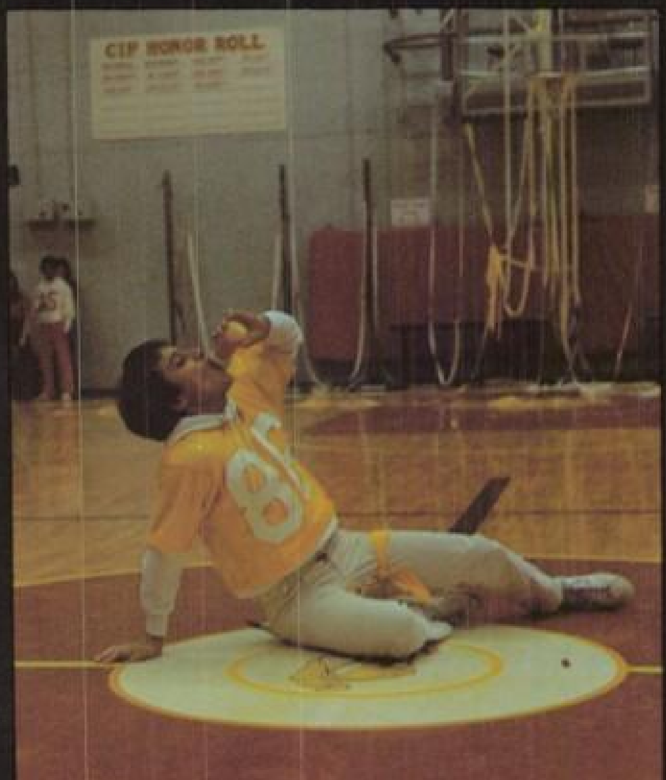

*My mind starts up at some flash on the flow of its thoughts like a brook at a sudden liquid note of its own that is never repeated.*

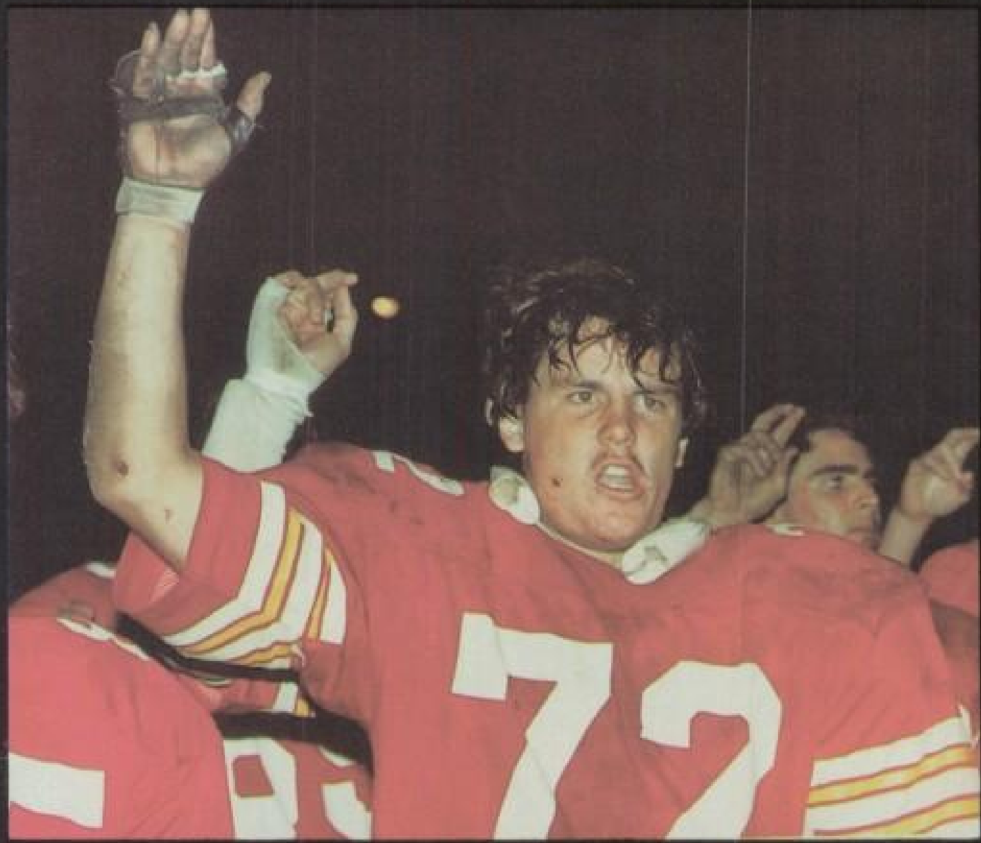

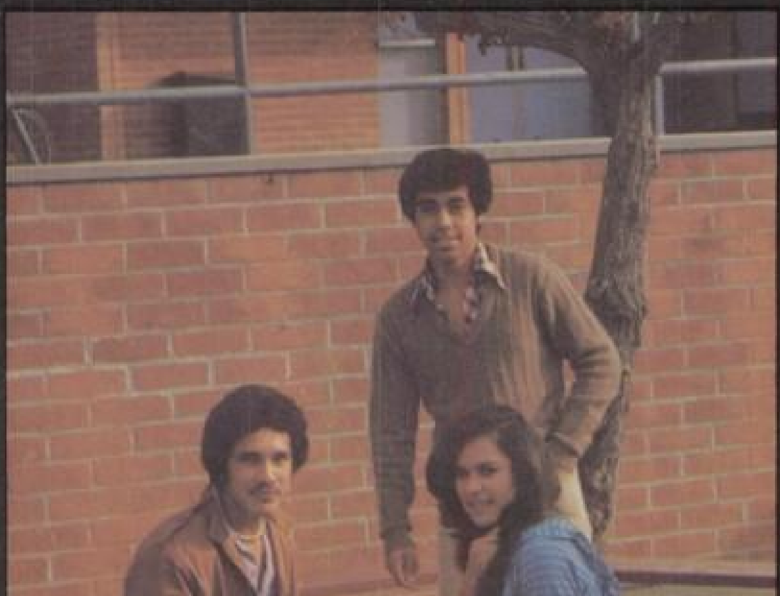

CIF HONOR ROLL

*True end is not in the reaching of the limit, but in a completion which is limitless.*

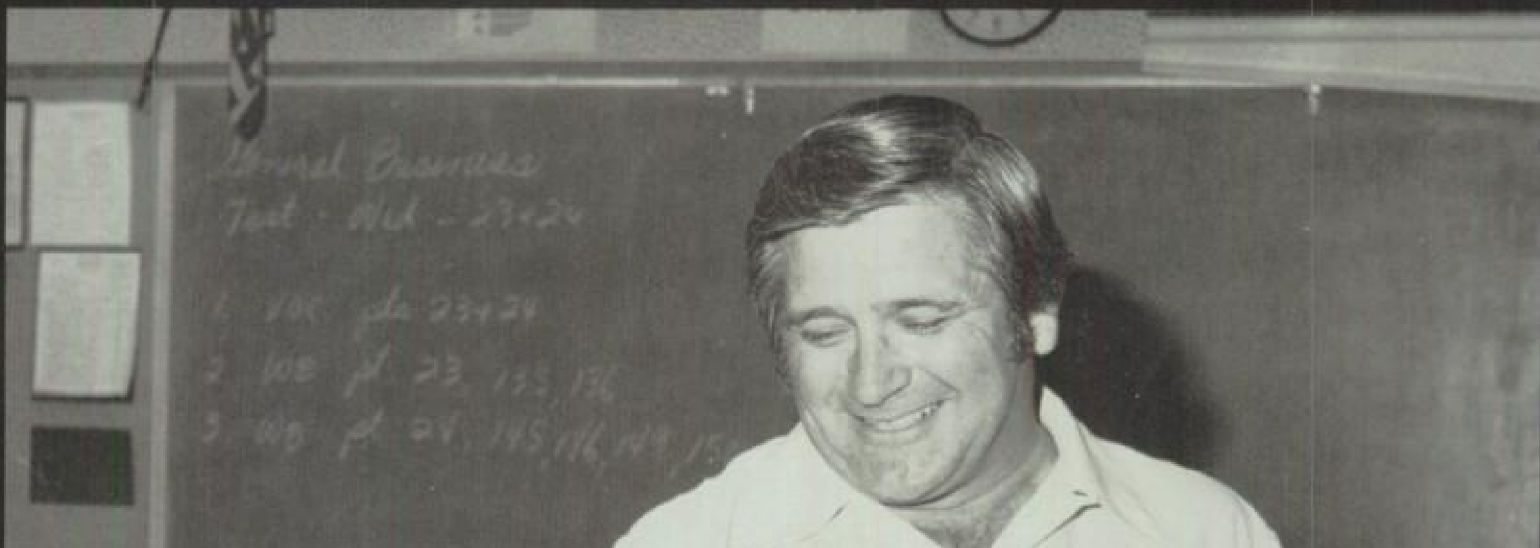

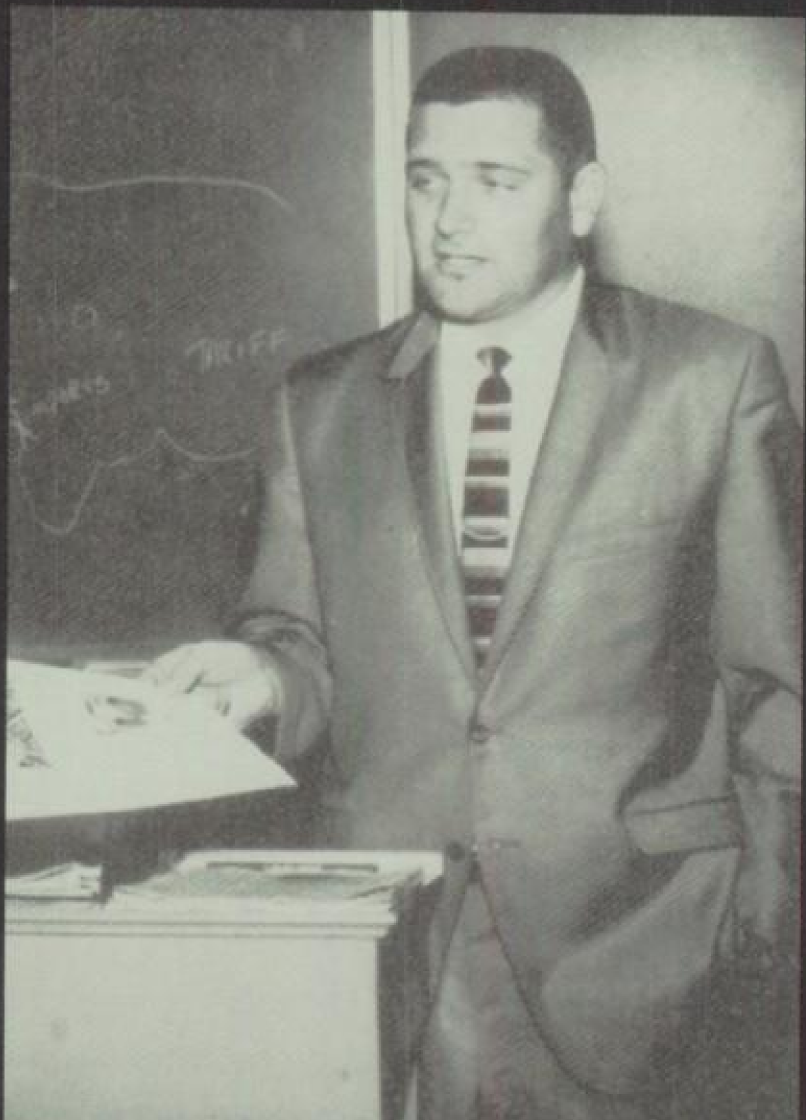

# *Dedicated To . . .*

A graduate from Whitter High School, who went on to attend Long Beach State College where he majored in Social Science, minored in Business Education, and obtained his Bachelor of Arts Degree. His previous teaching experiences include Los Nietos Intermediate, Monte Vista High, and California High.

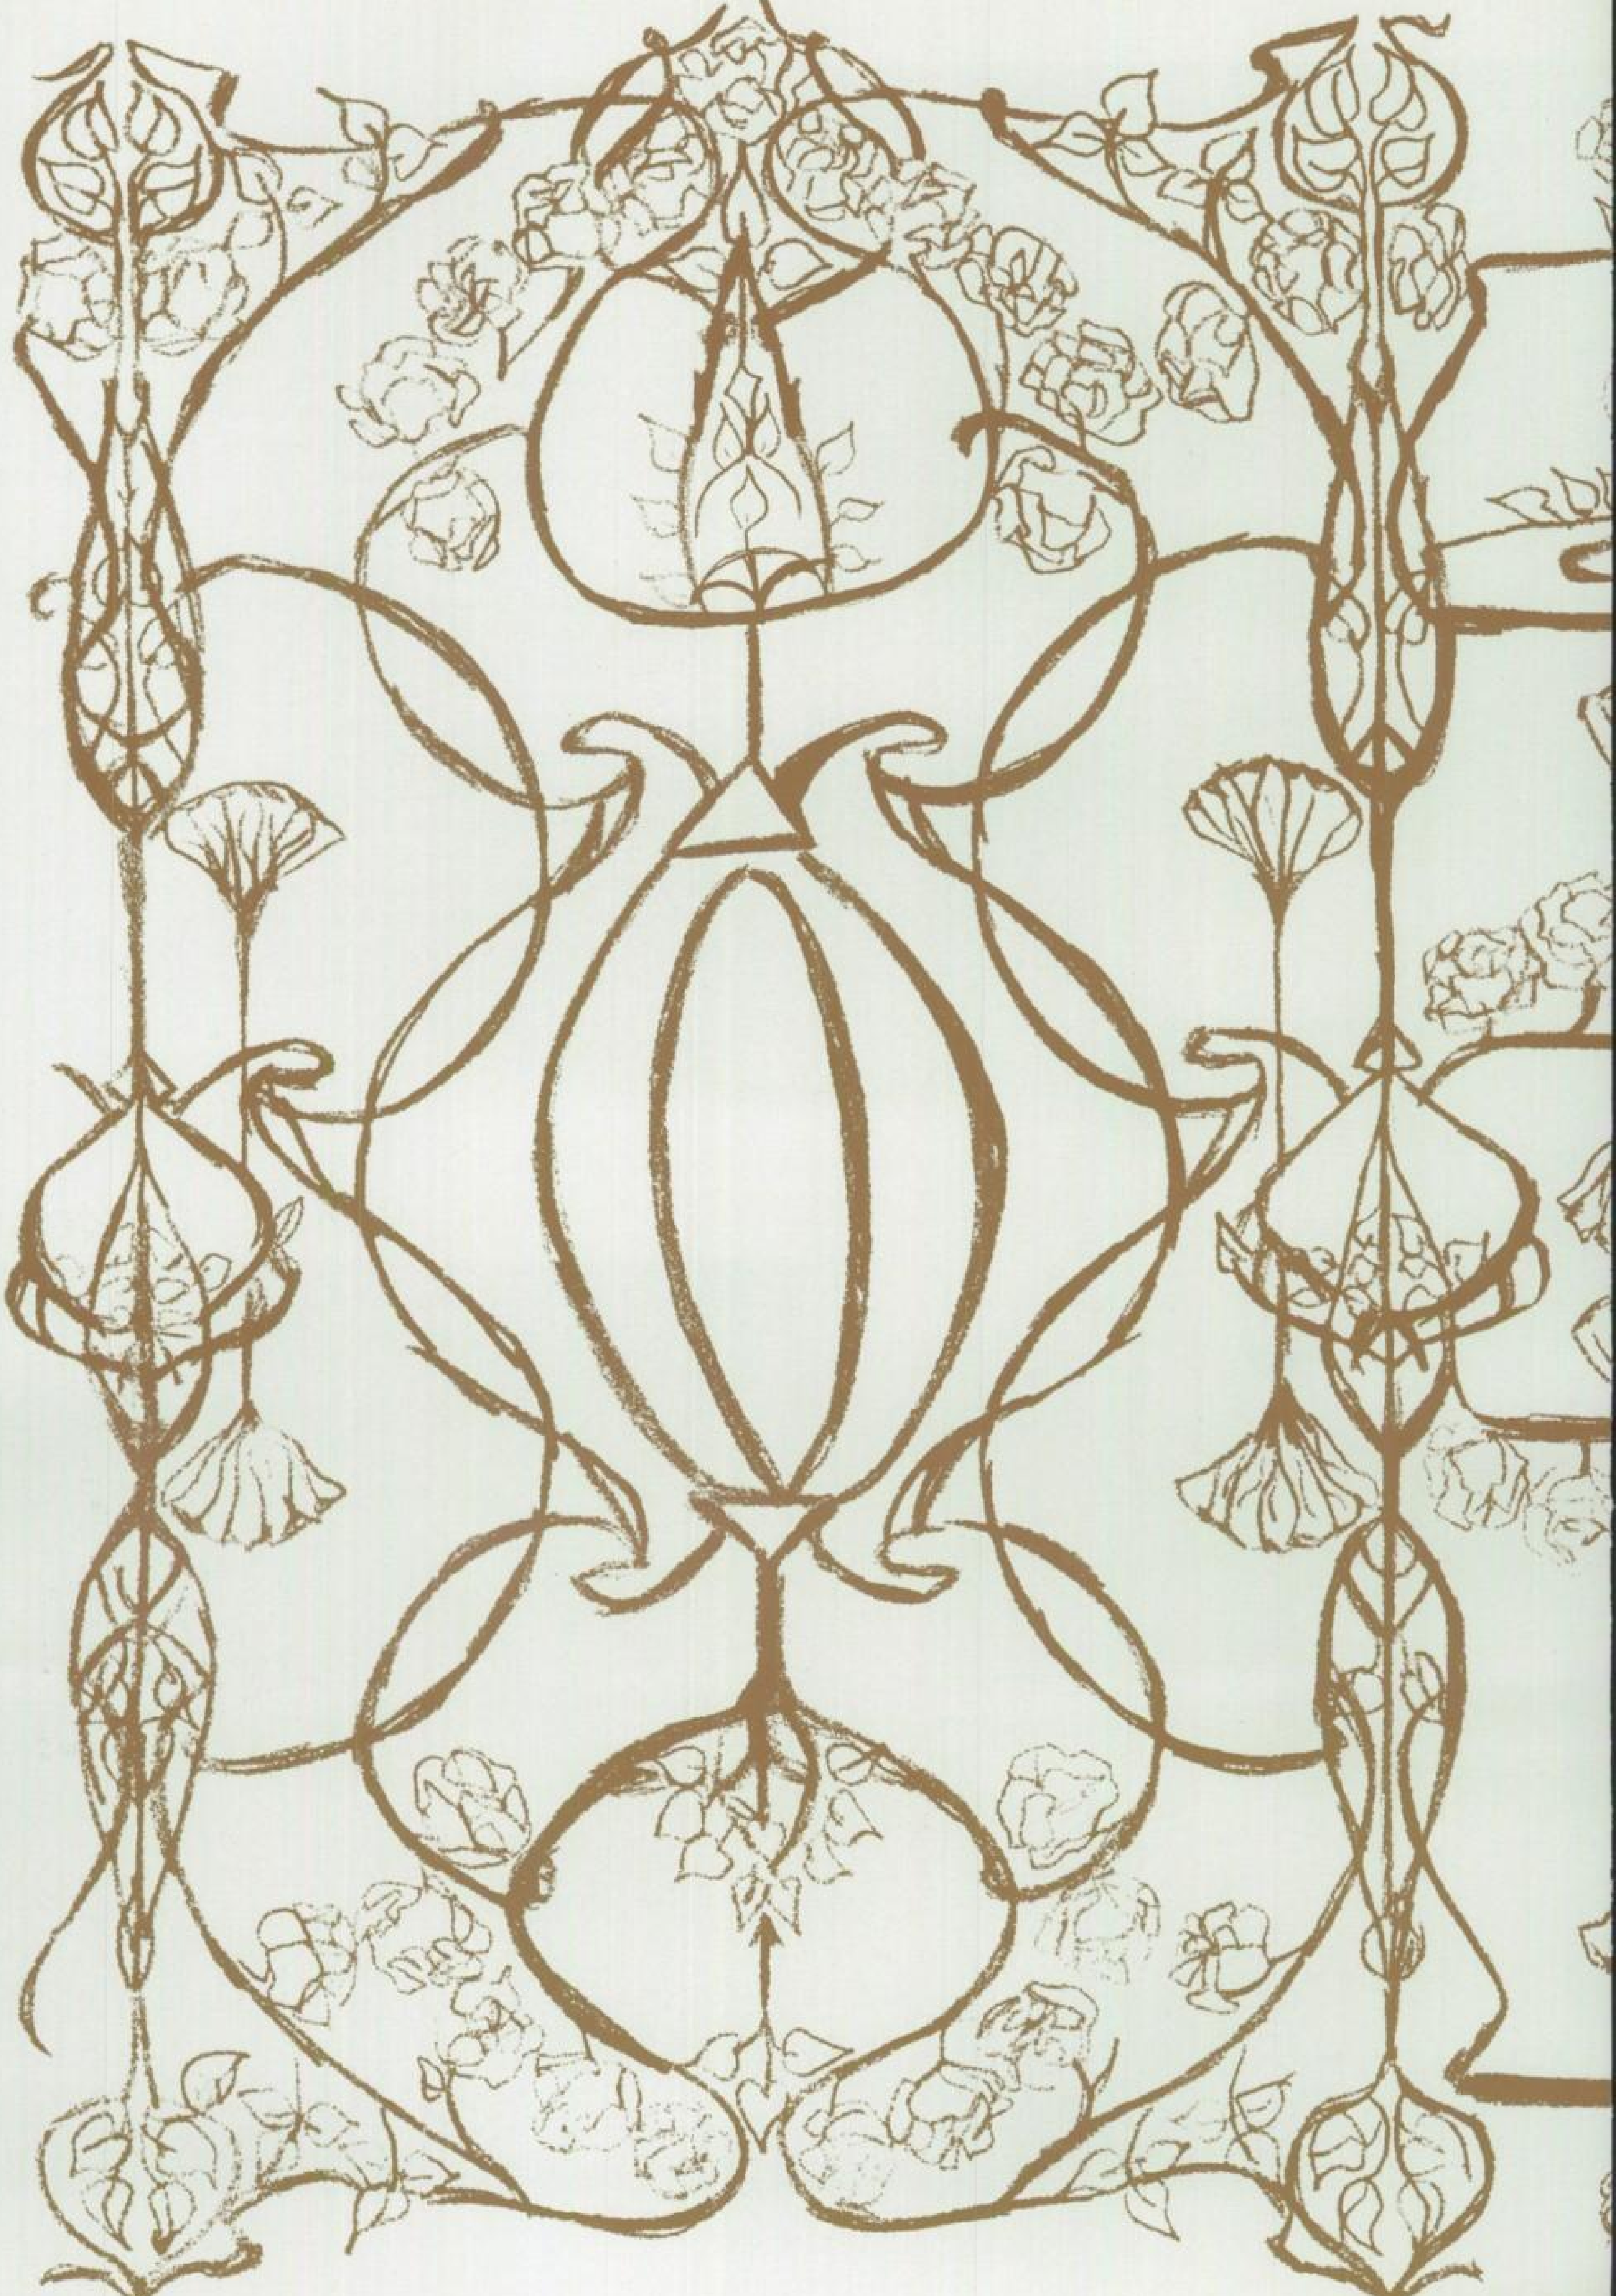

In 1970 he joined the La Serna staff where he has taught General Business and Typing I. In the past he has been an advisor for Pep Club, Backpackers, Student Senate, Sophomore Class, Junior Class, and Senior Class. In the 1976-77 school year he was the Assistant for Student Activities. He was also a coach for J.V. Tennis, J.V. Golf, and J.V. Basketball. Since 1980, he has worked closely with the students as the Career Center Director.

Because he cares about the students, he works hard to help each one plan for his own future. With deepest respect, admiration, and affection, the 1983 Pennon Staff is proud to dedicate this annual to . . .

And you Are Jeff.
well, It's been fun
Knowing you, and
If someday we
meet again, it
will be a day
to remember. May
your thoughts be
filled with those of
Sr. Birdman and
your pockets full
of money. well,
I Know how Important
you are and how
much your space
is worth so I
wont take up
much more.
HAve A fun life
And don't get
caught.
Love,
Linda

Jeff ("druggie"); well, how does it feel to be graduating? Of course, some of us are still going to be suffering another year. I'm so glad we've had the chance to have some classes together and become friends. You're a really nice guy and lots of fun. You definitely made first period bearable. What would we do without your tacky, tasteless jokes?? Well, I hope you have a great summer - make it the best! I hope I see you around somewhere. I wish you the best next year and always and I hope everything goes well for you. Thanks for being such a fun person to be around. You're a neat person with a lot going for you - (so, straighten out and use it!) Best Always, Love,
Pam

# Last Words . . .

Jeff,
I'm really glad I got to know you a little better this year. Your a really sweet guy. Have a great summer and try not to party too much. (Don't get your snakes high anymore either! that's so mean). Good luck in the future.
Love always,
Chris Nill

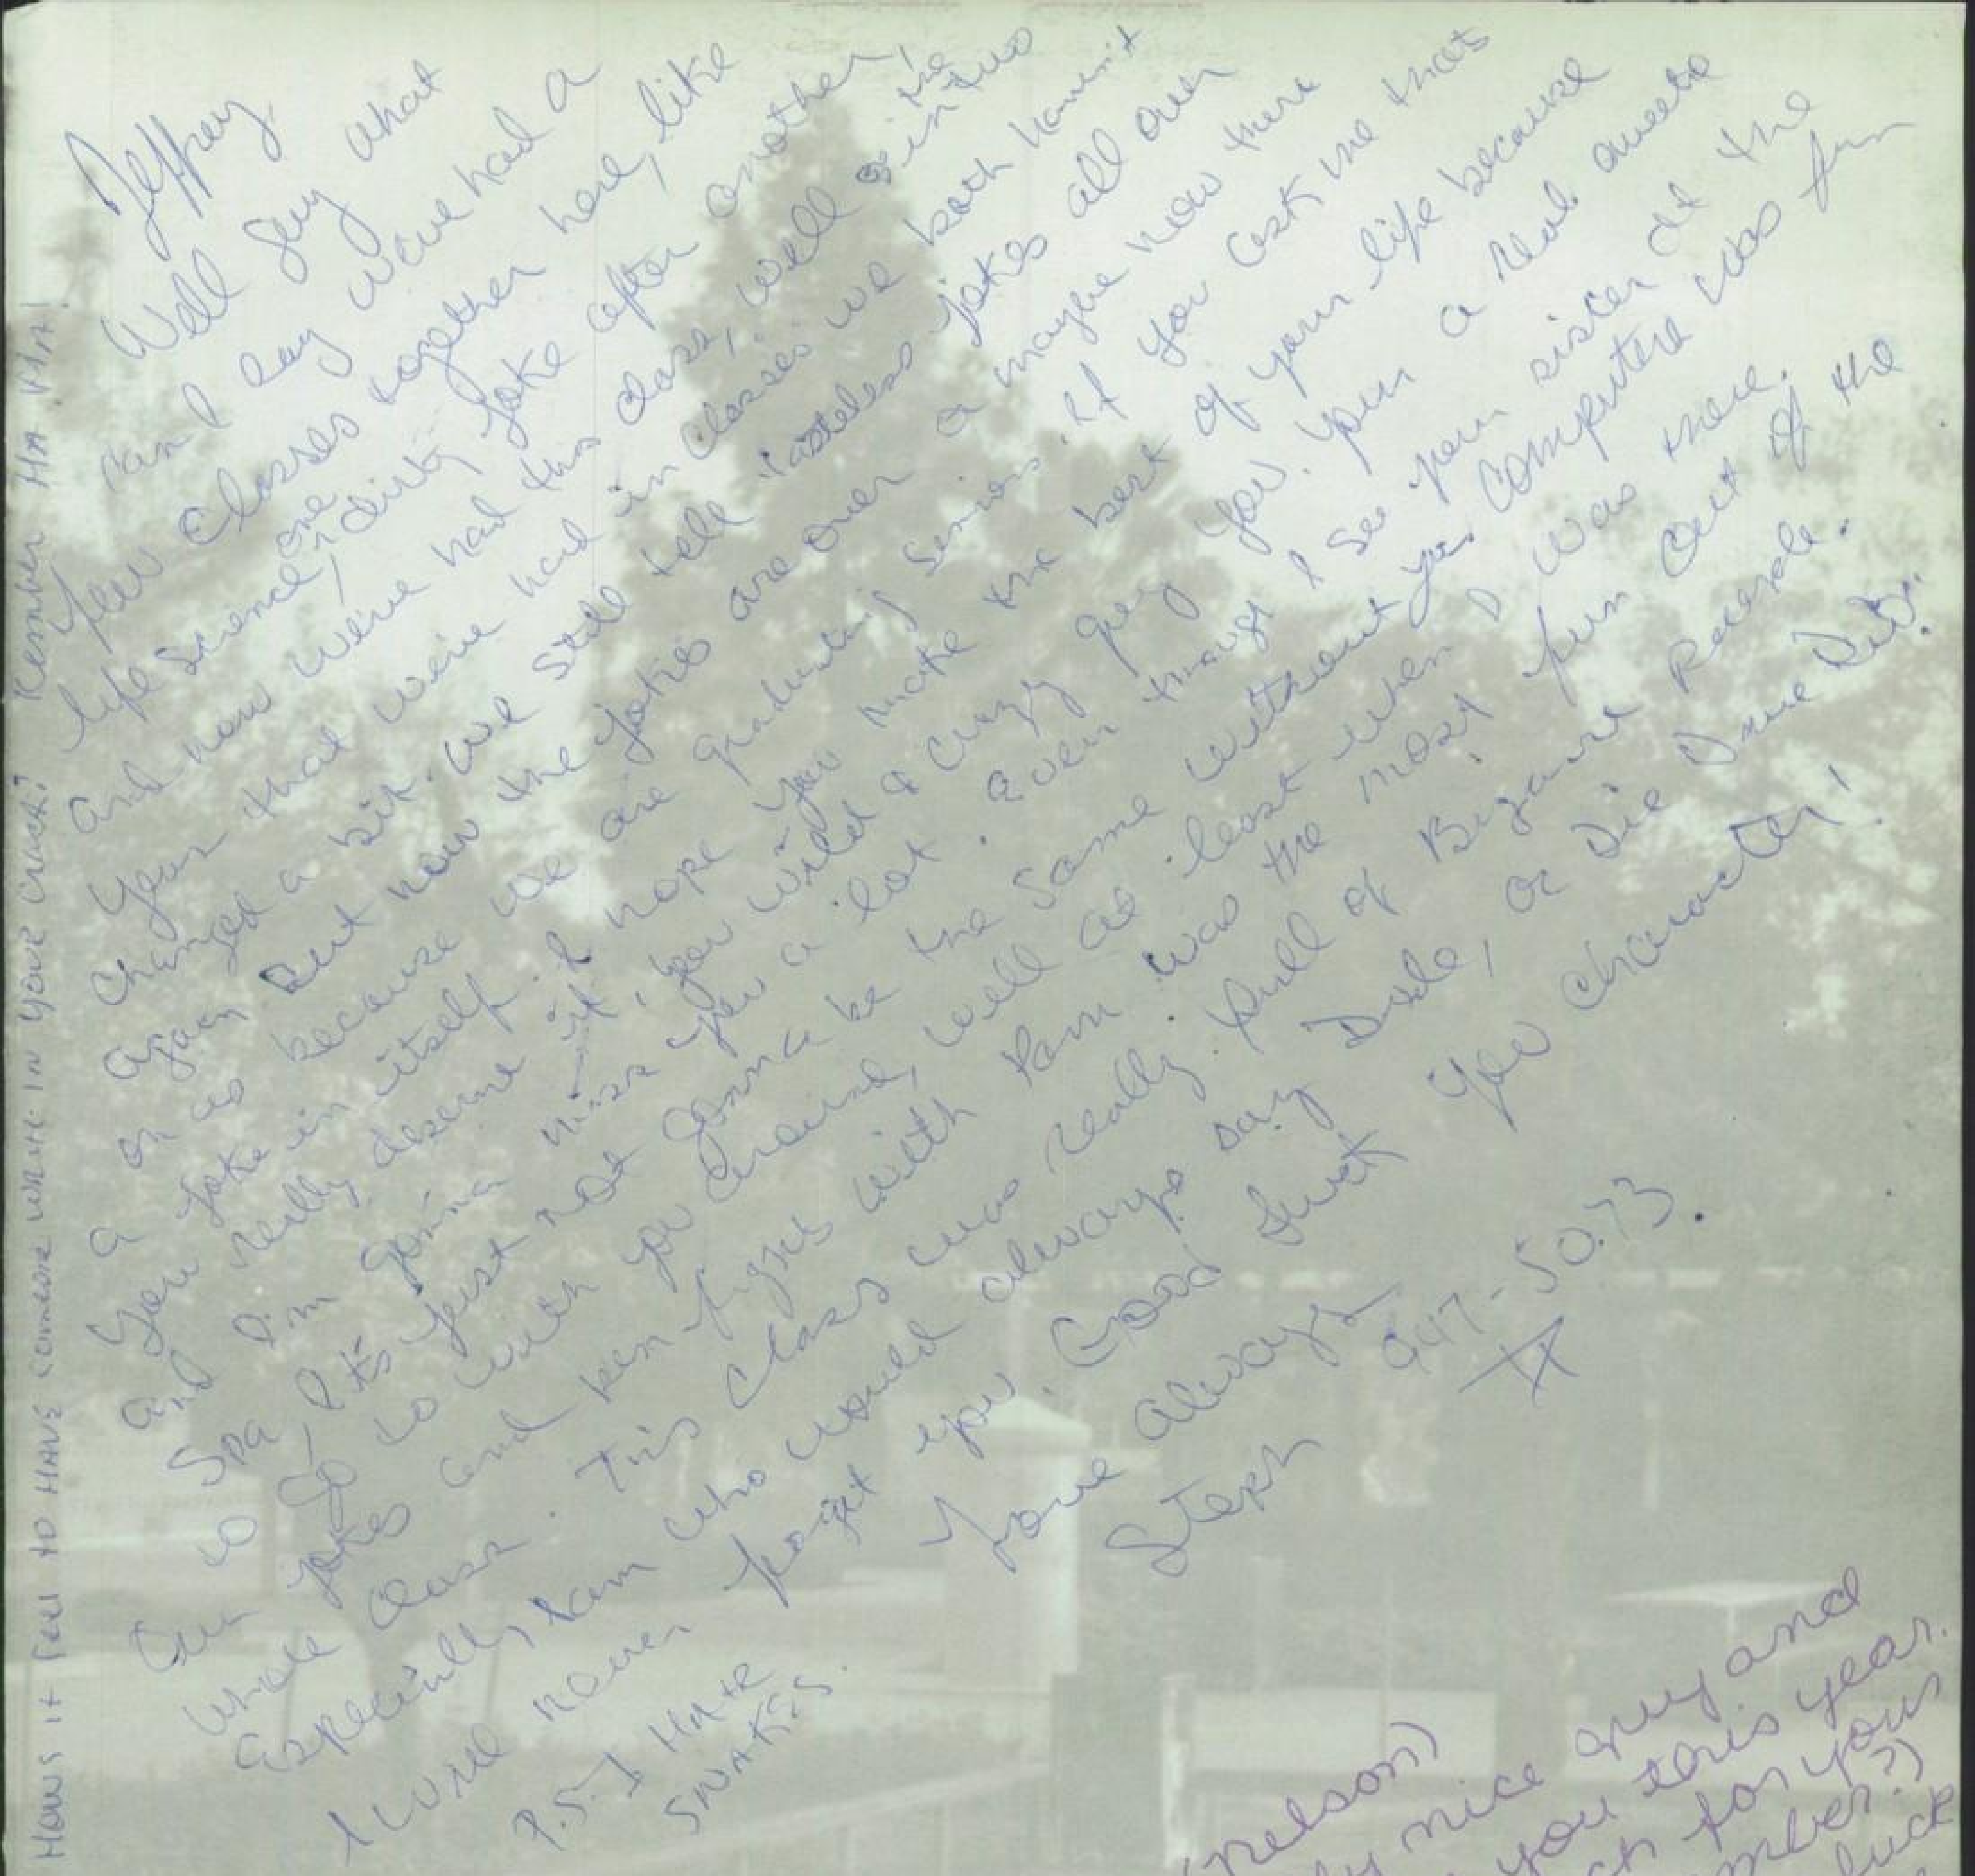

The production of the 1983 Pennon is not just the work of one person, but it is the combined work and support of many people striving towards the same goal. It seemed like endless work, but we were able to overcome the difficulties and produce what I believe to be a memorable annual. At this time I would like to thank a few people who helped in making this all possible:

— Susan Bateman and Dianna Granato, the Assistant Editors, who were able to put in the extra time and effort that was necessary in order to meet our deadlines.

— Cary Asel, John Lee, and Eric Salazar, Pennon Photographers, whose hard work and dedication show up in the pictures throughout the annual.

— Tammy Robertson and Bonnie Thompson, your artwork has made this yearbook very unique and memorable.

— Don Kolman, your help with photographs and scheduling Athletic pictures was greatly appreciated.

— Sally Lindberg, you had to put up with a lot of problems, but you never gave up. Thank-you for caring.

— The 1983 Pennon Staff, this annual is the result of your efforts and it could not have been completed without your combined work. On behalf of the student body, Thank-you.

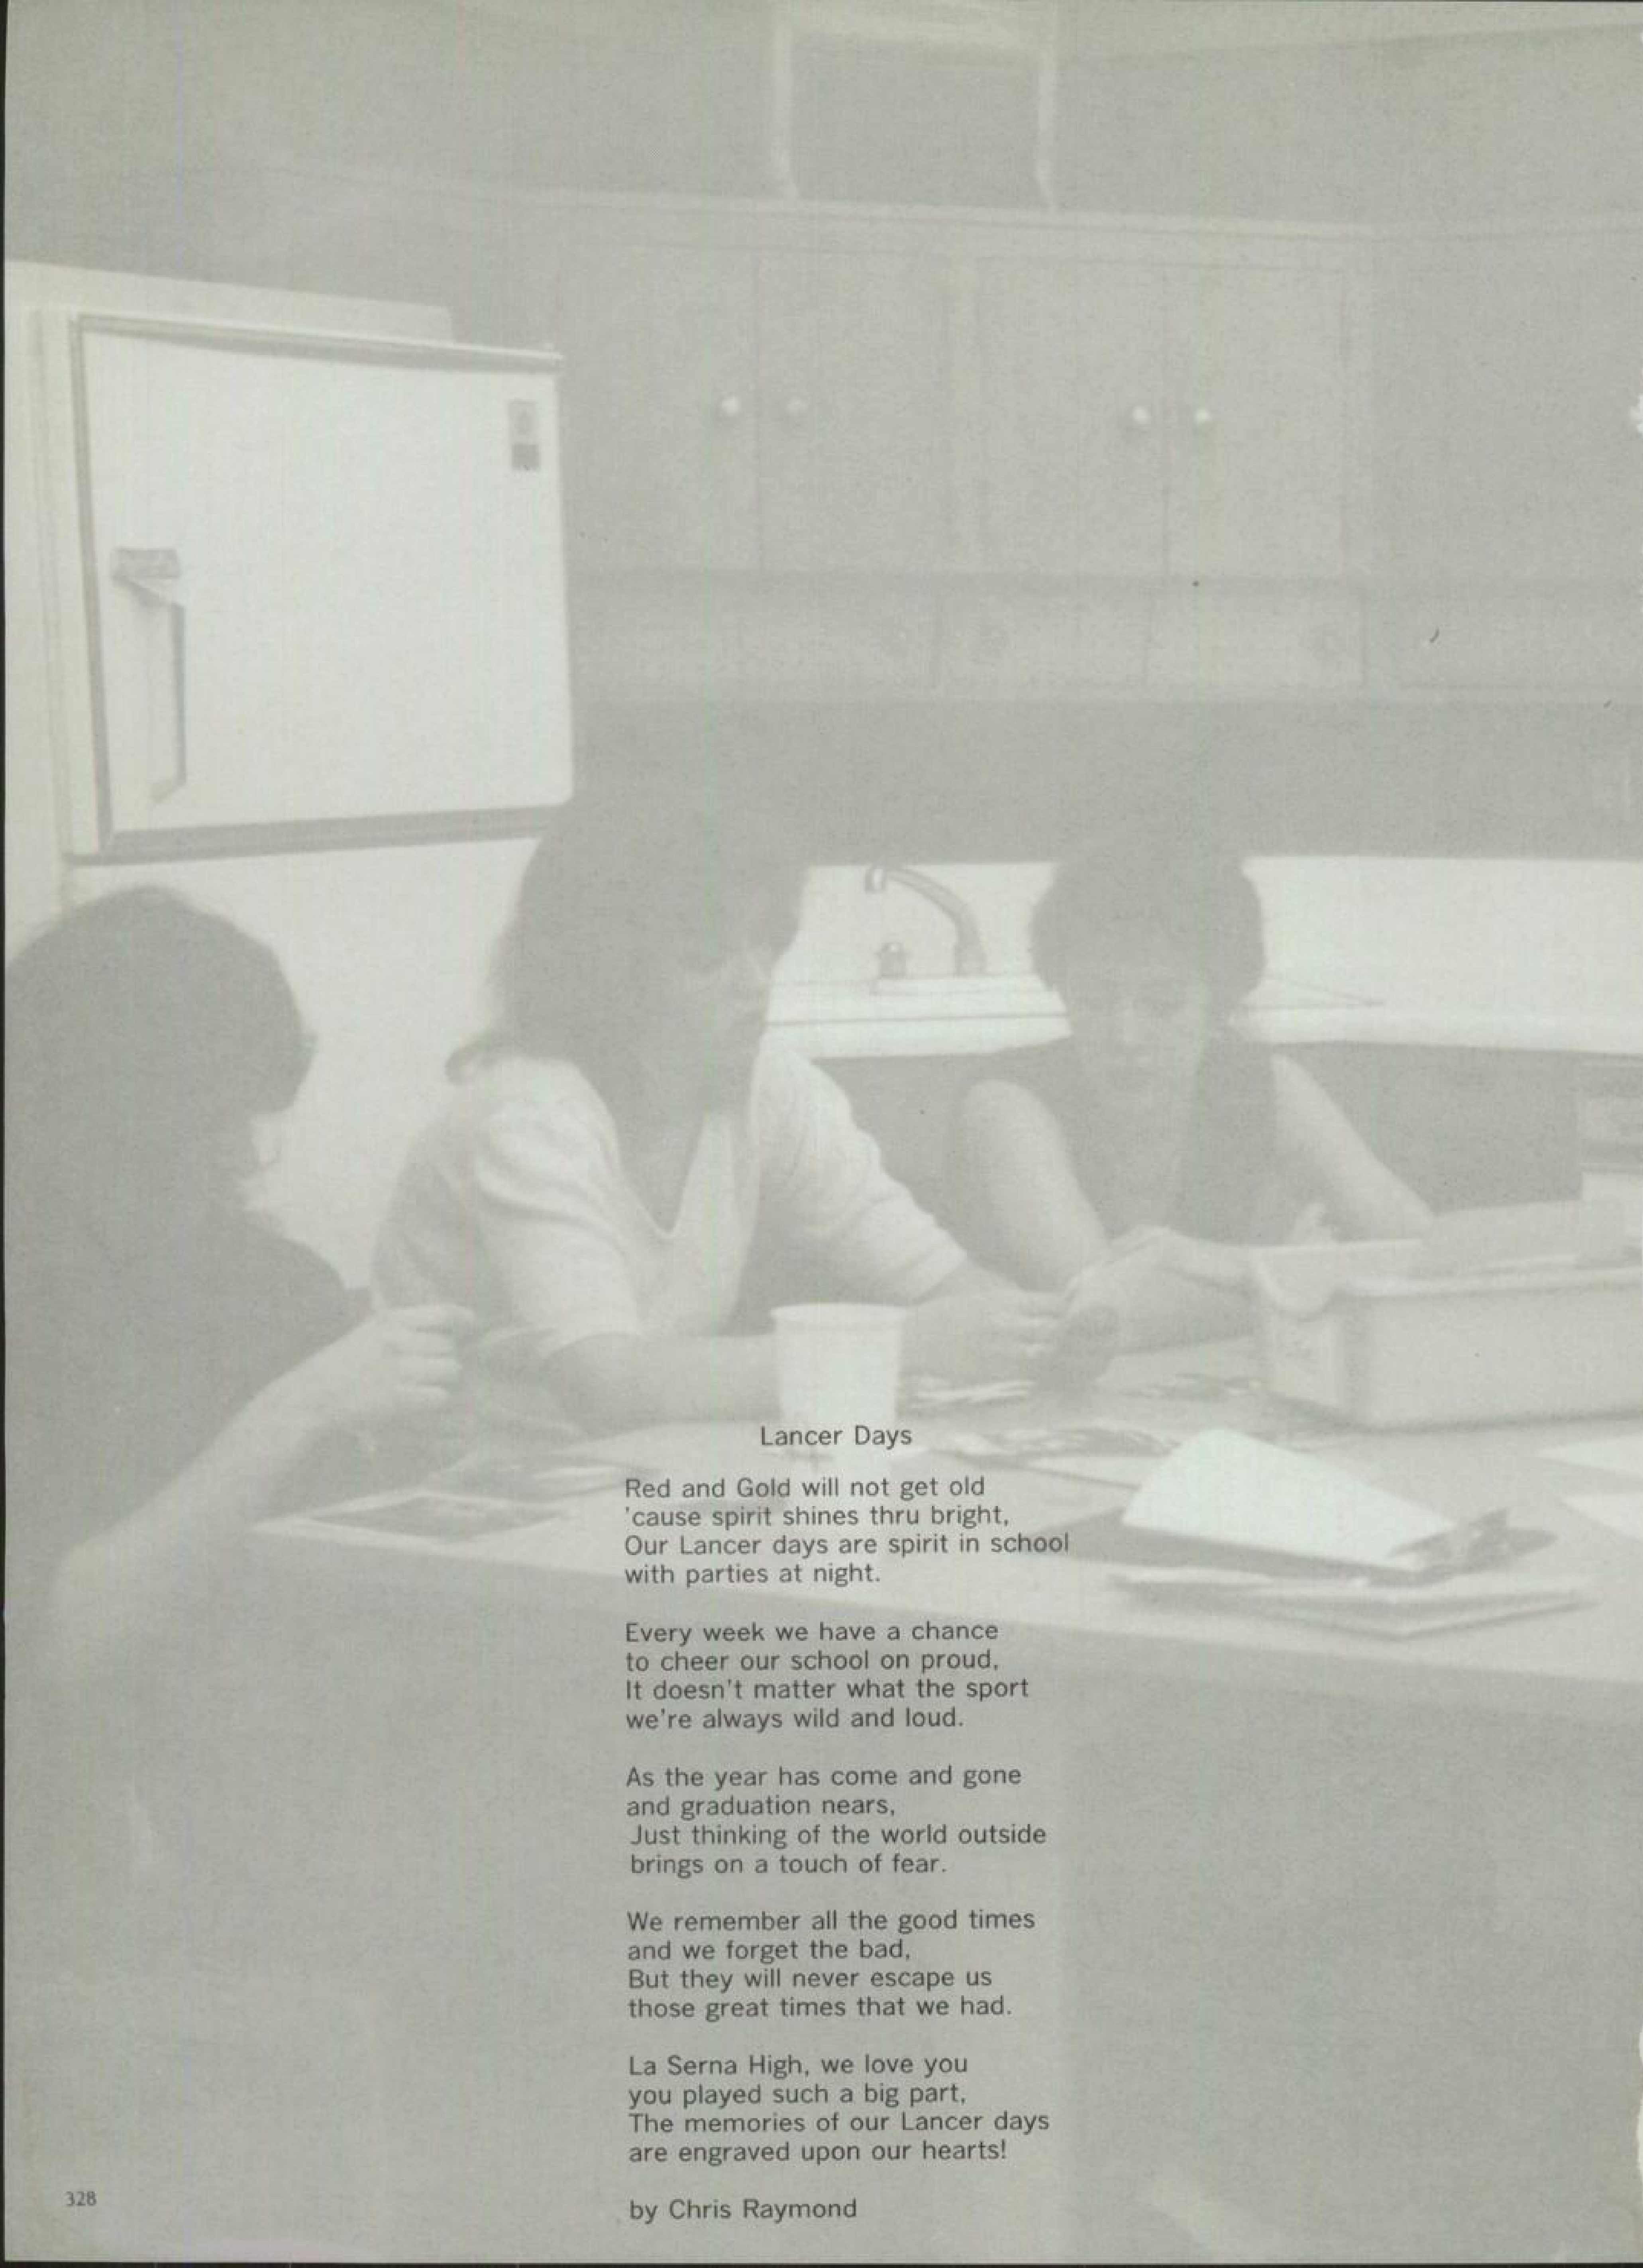

— Sanford Studio, your photographers and help took some of the pressure away.

—Ann Odle, your photograph, ideas, and support were greatly appreciated.

— And finally, a special thanks to the advertisers and sponsors for your support in the yearbook.

With the completion of the 1983 Pennon, the year comes to a close. I hope that this yearbook will be a place for your cherised memories.

## Lancer Days

Red and Gold will not get old
'cause spirit shines thru bright,
Our Lancer days are spirit in school
with parties at night.

Every week we have a chance
to cheer our school on proud,
It doesn't matter what the sport
we're always wild and loud.

As the year has come and gone
and graduation nears,
Just thinking of the world outside
brings on a touch of fear.

We remember all the good times
and we forget the bad,
But they will never escape us
those great times that we had.

La Serna High, we love you
you played such a big part,
The memories of our Lancer days
are engraved upon our hearts!
